SEASONS OF HOPE · CHRISTMAS 2026

Ornament Exchange

Love another bereaved family this Christmas,
and have your child remembered too.

Christmas is hard for so many of us. This year, Seasons of Hope invites bereaved parents to remember each other's children by name, one ornament at a time. You do not need to be part of our group; anyone is welcome. **Will you join us?**

PART ONE

Give an ornament

You agree to make or purchase one ornament with one child's name on it to bless another grieving family this Christmas. Ornaments should be mailed no later than December 6!

PART TWO

Receive an ornament

You will also receive one ornament from another grieving family with your child's name on it. What a gift it is for others to remember.

It does not need to be expensive or ornate. **The gift is in remembering.**

It is a mixer: you will **not** make an ornament for the family making one for you.
